5	Chart is complete and accurate	Consistently organized, thorough and written in own words.	Consistently includes accurate, interesting information in words and pictures. Neatly presented	Activity is purposeful and clearly explained. Includes observations and conclusions in words and pictures.	Grade One students are interested in the presentation, pay attention and know what to do all the time.
4	Mostly accurate	Mostly organized, many facts, mostly in your own words	Information is accurate and neatly presented		
3	Generally accurate and mostly completed	Generally organized	Mostly accurate information		
2	Partially accurate, may not be complete	Jot notes are not organized, do not always make sense	Information is confusing, spelling errors make it hard to read, pictures are not connected to the information
