

## Regions of **Canada** Song Project

**Task:** Your job is to write a song/poem/rap to share everything you have learned about a specific region of Canada. You will all be assigned one region.

To guide you in this project, here are some guidelines to use when planning your work. Your finished project must beww:

- A song/poem/rap about **one** of the geographical regions of Canada
- Main ideas of the region should be well-represented in your song
  - Information should include key land forms, water, cities, natural resources, industries, climate, recreation, famous people, etc.
- Time Limit: about 1-2 minutes
- Your song can be a parody or an original tune
- Complete your project in groups of 1, 2, or 3
- Everyone's ideas, and everyone's voice should be heard
